Please join us at the Oxford National Conference, one of Italy's most popular and prestigious annual teacher training events. This year, speakers will address topics of particular interest to secondary school teachers: how to best develop writing and speaking skills, and how to engage and inspire Millennial learners using personalised learning paths. Our speakers will also address effective assessment strategies, developing literacy, and promoting teacher wellness.

**REGISTER ONLINE TODAY AT**  
**WWW.OUP.COM/ELT > FORMAZIONE PROFESSIONALE**  
**Esonero Ministeriale riconosciuto. Participation is free of charge.**
